Chair of the Board of Directors

President of the Board of Directors

Chief Executive Officer

“Recovery to Revitalization begins with Re-Evaluating, Repositioning, and accessing Resources to Rebuild!”

Welcome to Tri-County Regional Black Chamber of Commerce Annual Plan of Work Conference! Every Business year begins with a Recovery Process; whether your business had a momentous good year or an uncertain one; at the end of the year - re-evaluating your next move is essential for new or continued success.

August 2017, brought us Hurricane Harvey, which came upon us swiftly, aggressively, fiercely, and, left most Businesses in the Gulf Coast Area experiencing an immediate need to Recover and Re-evaluate successfully.

November 17, 2017, Plan of Work Conference will prove to be an exceptional opportunity in Galvanizing the “Rebuilding Opportunities in Southeast Texas Resulting from 2017 Hurricane Disaster Under One Roof”

Referred to as the POW, the purpose is to prepare Business owners with understandable and useful information to achieve Entrepreneurial Parity and Economic Prosperity!

The POW conference will connect business owners and strategic partners to access valuable business information, resources and tools to assist with moving your business forward to succeed in the coming year!

POW participation will assist in planning your next move. The information received during the conference is invaluable for new business owners and seasoned owners affected by August 2017 Disaster. Access to Business Relief Loans with 0% interest taken in real time at the conference helps business owners to act now in the recovering and rebuilding process.

I sincerely hope you will join us and receive the benefits of attending the POW. Our doors are always open to assist business owners with valuable business information, resources, and tools to achieve prosperity in the Region and International.
