

Helen L. Callier

PRESIDENT

Helen Callier, B.S. in Mechanical Engineering, Six Sigma Black Belt, bestselling Author of “Your Money is in the Follow-up”, and a national speaker, is President of Bradlink LLC, a go to Technical Services Firm providing Program Management, Buildings Design, Facilities Support services primarily serving government agencies and Fortune 500 firms. Some of Bradlink’s clients include the Houston Airport System, AECOM, JACOBS, Lackland AFB and City of Houston.

Headquartered in Kingwood, TX and offices in Austin, Dallas, San Antonio, TX, Helen has led Bradlink to work on several high profile projects such as Houston Hobby Airport International Terminal, Houston METRO Light Rail Expansion, DFW Airport Terminal Improvement Project and other infrastructure related projects including serving as Prime on the Houston Airport Program Management team as a JV Partner with AECOM.

Callier has received many business awards and recognitions including the 2017 Women in Transportation Rosa Parks Diversity Award, being featured as a small business success story by SBA Administrator Linda McMahon on the first ever March 22, 2017 #SBDCDay, the 2016 SBA Houston District Women Business Champion Award, being appointed in 2016 by Governor Abbott to a 5 year term as Commissioner of Texas State Commission of Licensing and Regulation, the 2015 MWDBE of the Year award from Government Procurement Connections (GPC), and serving as keynote speaker for 2015 State of Texas HUB Expo. Also, Callier was one of five small business owners recognized in the NFL Super Bowl 51 Official Commemorative Magazine.

She is a contributing small business blogger on www.huffingtonpost.com and Subcontractors USA. She is a graduate of the SBA Emerging Leaders Program and Goldman Sachs 10,000 Small Businesses Program. This National program is funded by the Goldman Sachs Foundation and supported by Warren Buffet to help small businesses to grow and create jobs. She is a member of the Mayor's International Trade and Development Council covering Central America, Cuba, South America and the Caribbean and serves in an Advisory capacity to Tri-County Regional Black Chamber of Commerce.
