

Mr. EBEN ARMAH

The Newest Member of Tri-County Regional Black Chamber of Commerce Board of Directors and appointed as the Vice President of Region 2.

Eben is a Software Engineer, an acclaimed business entrepreneur, software consultant, a visionary born in Accra, Ghana (West Africa), and a naturalized citizen of US. He is currently based in Houston, Texas. USA.

After working full time in the oil and gas sector for 8yrs Eben took off to start his own for-profit and non-profit business and has since been doing so for the past 8yrs. He has since worked in a wide variety of professional capacities in for-profit in the areas of import, export and major distribution. In the non-profit sector, he has dedicated himself to promoting girl-child literacy, women empowerment and supporting basic health needs in Ghana, Sierra Leone, Liberia and Guinea.

Eben earned his Bachelor of Science Degree in Computer Science through University of Kingston, London and Phoenix University, US. He has attained numerous certifications in the Information Technology Industry.

Eben is currently the CEO/Managing Director of Armahni Enterprises LLC in the US, Executive Director of Akimani Company Limited in Ghana, Chairman/President of Seven Days of Hope Foundation in the US, Board Member for Ikemac Investment in the US, Consultant for Kappa Home Health in the US, Independent Member of World Global Network in the US. He is also a private consultant in start-up businesses in the Information Technology Industry. Eben is the Assistant Head of Department and Production Manager of the Media Department of Christ Ignite International Ministries, where he worships.

Eben manages a staff of ten who oversee the strategic planning process for his company. He assists departmental managers in identifying future needs and materials that align with the strategic objectives set by our parent organization.

Eben's ongoing mission is to complete his course in Avionics and proceed to be a private pilot. His goal is to bring the aviation industry and experience to the average high school student in Ghana and Africa as a whole. Eben is very passionate about aviation and has since acquired few flying hours to his credit with Cessna Jets.

He is a well-rounded individual who lives with passion, dedication and grace. With his passion, he has since volunteered for lots of Non-Profit Organizations including Food for the Poor, Feed the Children, Habitat for Humanity, Muscular Dystrophy, JDRF, Medical Bridges and many more.

Eben is a proud father of two wonderful children and has a supportive and beautiful Fiancée.
